Hot stuff

The one thing in a room which we painstakingly attempt to disguise is the poor old radiator. But thanks to a new breed of designer models your heaters can come out of hiding... **By CAROLINE COOK**

The VR Victorian-style column radiator incorporating a towel warmer perfect for period bathrooms, from £795, Myson (01204 863200)

Original Victorian radiators, fully restored with modern fittings, from £200, Renaissance London (020 7251 8844)
