Shop for salvage

Interest in salvage and reclaimed architectural items remains unabated, and one of London's most interesting yards specialising in the area is Renaissance in the City.

At Renaissance you'll find an enormous selection of stone, marble, wood and cast-iron fireplaces, some dating back to the 16th century. There are also doors from India, France and Italy and a plethora of mirrors, chandeliers and stone statues from all over the world. You can even have a bespoke fireplace carved to your own design.

Even better, there is a 10 per cent discount on all goods for Homes & Property readers. Simply mention this column before making

your purchase. The shop is at 193-195 City Road, EC1 (020 7251 8844; www.renaissanceinlondon.com).
